

EMGS REGISTERED CLINICS IN BANGLADESH

Since the **1st December 2015**, only Medical Examination Reports MER from the EMGS registered clinics will be accepted. EMGS will not accept any MER from non-registered clinics in Bangladesh.

All registered clinics vetted by EMGS is to ensure the accuracy and validity of the Medical Examination Report. This avoids the problem of having the student failing their medical screening in Malaysia after receiving the VAL due to fraud.

A list of registered clinics in Bangladesh is below and will be regularly updated on our website: <http://is.gd/EMGSclinic>
